FILING INSTRUCTIONS:

WHAT TO FILE:

After completing all parts of this form, **including signing and dating it**, send back only the first sheet (pages 1 and 2) for filing.

If you have nothing to report in a particular section, you must write "none" or "n/a" in that section(s).

NOTE:

MULTIPLE FILING UNNECESSARY:

A candidate who previously filed Form 1 because of another public position must at least file a copy of his or her original Form 1 when qualifying. A candidate who files a Form 1 with a qualifying officer is not required to file with the Commission or Supervisor of Elections.

WHERE TO FILE:

If you were mailed the form by the Commission on Ethics or a County Supervisor of Elections for your annual disclosure filing, return the form to that location.

Local officers/employees file with the Supervisor of Elections of the county in which they permanently reside. (If you do not permanently reside in Florida, file with the Supervisor of the county where your agency has its headquarters.)

State officers or specified state employees file with the Commission on Ethics, P.O. Drawer 15709, Tallahassee, FL 32317-5709; physical address: 325 John Knox Road, Building E, Suite 200, Tallahassee, FL 32303.

Candidates file this form together with their qualifying papers.

To determine what category your position falls under, see the "Who Must File" Instructions on page 3.

Facsimiles will not be accepted.

WHEN TO FILE:

Initially, each local officer/employee, state officer, and specified state employee must file **within 30 days** of the date of his or her appointment or of the beginning of employment. Appointees who must be confirmed by the Senate must file prior to confirmation, even if that is less than 30 days from the date of their appointment.

Candidates for publicly-elected local office must file at the same time they file their qualifying papers.

Thereafter, local officers/employees, state officers, and specified state employees are required to file by July 1st following each calendar year in which they hold their positions.

Finally, at the end of office or employment, each local officer/employee, state officer, and specified state employee is required to file a final disclosure form (Form 1F) within 60 days of leaving office or employment. However, filing a CE Form 1F (Final Statement of Financial Interests) does **not** relieve the filer of filing a CE Form 1 if he or she was in their position on December 31, 2014.

NOTICE

Annual Statements of Financial Interests are due July 1. If the annual form is not filed or postmarked by September 1, an automatic fine of \$25 for each day late will be imposed, up to a maximum penalty of \$1,500. [s. 112.3145, F.S. - applicable to non-judicial officials] Failure to file also can result in removal from public office or employment. [Ch. 2014-183, Laws of Florida]

In addition, failure to make any required disclosure constitutes grounds for and may be punished by one or more of the following: disqualification from being on the ballot, impeachment, removal, or suspension from office or employment, demotion, reduction in salary, reprimand, or a civil penalty not exceeding \$10,000. [s. 112.317, F.S.]

INSTRUCTIONS FOR COMPLETING FORM 1:

INTRODUCTORY INFORMATION (At Top of Form):

If your name, mailing address, public agency, and position are already printed on the form, you do not need to provide this information unless it should be changed. To change any of this information, write the correct information on the form, and contact your agency's financial disclosure coordinator. Your coordinator is identified in the financial disclosure portal on the Commission on Ethics website: www.ethics.state.fl.us.

NAME OF AGENCY: This should be the name of the governmental unit which you serve or served, by which you are or were employed, or for which you are a candidate.

OFFICE OR POSITION HELD OR SOUGHT: Use the title of the office or position you hold, are seeking, or held during the disclosure period even if you have since left that position. If you are a candidate for office or are a new employee or appointee, check the appropriate box.

PUBLIC RECORD: The disclosure form and everything attached to it is a public record. Your Social Security Number is not required and you should redact it from any documents you file. If you are an active or former officer or employee listed in Section 119.071(4)(d), F.S., whose home address is exempt from disclosure, the Commission is required to maintain the confidentiality of your home address if you submit a written request for confidentiality. Persons listed in Section 119.071(4)(d), F.S., are encouraged to provide an address other than their home address.

DISCLOSURE PERIOD: The tax year for most individuals is the calendar year (January 1 through December 31). If that is the case for you, then your financial interests should be reported for the calendar year 2014; just check the box and you do not need to add any information in this part of the form. However, if you file your IRS tax return based on a tax year that is not the calendar year, you should specify the dates of your tax year in this portion of the form and check the appropriate box. This is the time frame or "disclosure period" for your report.

MANNER OF CALCULATING REPORTABLE INTEREST

As noted on the form, filers have the option of reporting based on either thresholds that are comparative (usually, based on percentage values) or thresholds that are based on absolute dollar values. The instructions on the following pages specifically describe the different thresholds. Check the box that reflects the choice you have made. You must use the type of threshold you have chosen for each part of the form. In other words, if you choose to report based on absolute dollar value thresholds, you cannot use a percentage threshold on any part of the form.

IF YOU HAVE CHOSEN DOLLAR VALUE THRESHOLDS THE FOLLOWING INSTRUCTIONS APPLY

PART A — PRIMARY SOURCES OF INCOME

[Required by s. 112.3145(3)(a)1 or (b)1, F.S.]

Part A is intended to require the disclosure of your principal sources of income during the disclosure period. You do not have to disclose the amount of income received, and you need not list your public salary from serving in the position(s) which requires you to file this form. The income of your spouse need not be disclosed; however, if there is joint income to you and your spouse from property you own jointly (such as interest or dividends from a bank account or stocks), you should disclose the source of that income if it exceeded the threshold.

Please list in this part of the form the name, address, and principal business activity of each source of your income which exceeded \$2,500 of gross income received by you in your own name or by any other person for your use or benefit.

"Gross income" means the same as it does for income tax purposes, even if the income is not actually taxable, such as interest on tax-free bonds. Examples include: compensation for services, income from business, gains from property dealings, interest, rents, dividends, pensions, IRA distributions, social security, distributive share of partnership gross income, and alimony, but not child support.

Examples:

— If you were employed by a company that manufactures computers and received more than \$2,500, then you should list the name of the company, its address, and its principal business activity (computer manufacturing).

— If you were a partner in a law firm and your distributive share of partnership gross income exceeded \$2,500, then you should list the name of the firm, its address, and its principal business activity (practice of law).

— If you were the sole proprietor of a retail gift business and your gross income from the business exceeded \$2,500, then you should list the name of the business, its address, and its principal business activity (retail gift sales).

— If you received income from investments in stocks and bonds, you are required to list only each individual company from which you derived more than \$2,500, rather than aggregating all of your investment income.

— If more than \$2,500 of your gross income was gain from the sale of property (not just the selling price), then you should list as a source of income the name of the purchaser, the purchaser's address, and the purchaser's principal business activity. If the purchaser's identity is unknown, such as where securities listed on an exchange are sold through a brokerage firm, the source of income should be listed simply as "sale of (name of company) stock," for example.

— If more than \$2,500 of your gross income was in the form of interest from one particular financial institution (aggregating interest from all CD's, accounts, etc., at that institution), list the name of the institution, its address, and its principal business activity.

PART B — SECONDARY SOURCES OF INCOME

[Required by s. 112.3145(3)(a)2 or (b)2, F.S.]

This part is intended to require the disclosure of major customers, clients, and other sources of income to businesses in which you own an interest. It is not for reporting income from second jobs. That kind of income should be reported as "Primary Sources of Income," if it meets the reporting threshold. You will **not** have anything to report **unless**, during the disclosure period:

(1) You owned (either directly or indirectly in the form of an equitable or beneficial interest) during the disclosure period more than 5% of the total assets or capital stock of a business entity (a corporation, partnership, LLC, limited partnership, proprietorship, joint venture, trust, firm, etc., doing business in Florida); **and**

(2) You received more than \$5,000 of your gross income during the disclosure period from that business entity.

If your interests and gross income exceeded these thresholds, then for that business entity you must list every source of income to the business entity which exceeded 10% of the business entity's gross income (computed on the basis of the business entity's most recently completed fiscal year), the source's address, and the source's principal business activity.

Examples:

— You are the sole proprietor of a dry cleaning business, from which you received more than \$5,000. If only one customer, a uniform rental company, provided more than 10% of your dry cleaning business, you must list the name of the uniform rental company, its address, and its principal business activity (uniform rentals).

— You are a 20% partner in a partnership that owns a shopping mall and your partnership income exceeded the thresholds listed above. You should list each tenant of the mall that provided more than 10% of the partnership's gross income, the tenant's address and principal business activity.

PART C — REAL PROPERTY

[Required by s. 112.3145(3)(a)3 or (b)3, F.S.]

In this part, list the location or description of all real property in Florida in which you owned directly or indirectly at any time during the previous tax year in excess of 5% of the property's value. You are not required to list your residences and vacation homes.

Indirect ownership includes situations where you are a beneficiary of a trust that owns the property, as well as situations where you are more than a 5% partner in a partnership or stockholder in a corporation that owns the property. The value of the property may be determined by the most recently assessed value for tax purposes, in the absence of a more current appraisal.

The location or description of the property should be sufficient to enable anyone who looks at the form to identify the property. A street address should be used, if one exists.

PART D — INTANGIBLE PERSONAL PROPERTY

[Required by s. 112.3145(3)(a)3 or (b)3, F.S.]

Describe any intangible personal property that, at any time during the disclosure period, was worth more than \$10,000 and state the business entity to which the property related. Intangible personal property includes things such as cash on hand, stocks, bonds, certificates of deposit, vehicle leases, interests in businesses, beneficial interests in trusts, money owed you, Deferred Retirement Option Program (DROP) accounts, the Florida Prepaid College Plan, and bank accounts. Intangible personal property also includes investment products held in IRAs, brokerage accounts, and the Florida College Investment Plan. Note that the product *contained* in a brokerage account, IRA, or the Florida College Investment Plan is your asset—not the account or plan itself. Things like automobiles and houses you own, jewelry, and paintings are not intangible property. Intangibles relating to the same business entity may be aggregated; for example, CDs and savings accounts with the same bank. Property owned as tenants by the entirety or as joint tenants with right of survivorship should be valued at 100%. The value of a leased vehicle is the vehicle's present value minus the lease residual (a number found on the lease document).

PART E — LIABILITIES

[Required by s. 112.3145(3)(a)4 or (b)4, F.S.]

List the name and address of each creditor to whom you owed more than \$10,000 at any time during the disclosure period. The amount of the liability of a vehicle lease is the sum of any past-due payments and all unpaid prospective lease payments. You are not required to list the amount of any debt. You do not have to disclose credit card and retail installment accounts, taxes owed (unless reduced to a judgment), indebtedness on a life insurance policy owed to the company of issuance, or contingent liabilities. A "contingent liability" is one that will become an actual liability only when one or more future events occur or fail to occur, such as where you are liable only as a guarantor, surety, or endorser on a promissory note. If you are a "co-maker" and have signed as being jointly liable or jointly and severally liable, then this is not a contingent liability.

PART F — INTERESTS IN SPECIFIED BUSINESSES

[Required by s. 112.3145(5), F.S.]

The types of businesses covered in this disclosure include: state and federally chartered banks; state and federal savings and loan associations; cemetery companies; insurance companies; mortgage companies; credit unions; small loan companies; alcoholic beverage

licensees; pari-mutuel wagering companies, utility companies, entities controlled by the Public Service Commission; and entities granted a franchise to operate by either a city or a county government.

You are required to disclose in this part of the form the fact that you owned during the disclosure period an interest in, or held any of certain positions with, particular types of businesses listed above. You are required to make this disclosure if you own or owned (either directly or indirectly in the form of an equitable or beneficial interest) at any time during the disclosure period more than 5% of the total assets or capital stock of one of the types of business entities listed above. You also must complete this part of the form for each of these types of businesses for which you are, or were at any time during the disclosure period, an officer, director, partner, proprietor, or agent (other than a resident agent solely for service of process).

If you have or held such a position or ownership interest in one of these types of businesses, list the name of the business, its address and principal business activity, and the position held with the business (if any). If you own(ed) more than a 5% interest in the business, you must indicate that fact and describe the nature of your interest.

(End of Dollar Value Thresholds Instructions.)

IF YOU HAVE CHOSEN COMPARATIVE (PERCENTAGE) THRESHOLDS THE FOLLOWING INSTRUCTIONS APPLY

PART A — PRIMARY SOURCES OF INCOME

[Required by s. 112.3145(3)(a)1 or (b)1, F.S.]

Part A is intended to require the disclosure of your principal sources of income during the disclosure period. You do not have to disclose the amount of income received, and you need not list your public salary received from serving in the position(s) which requires you to file this form, but this amount should be included when calculating your gross income for the disclosure period. The income of your spouse need not be disclosed; however, if there is joint income to you and your spouse from property you own jointly (such as interest or dividends from a bank account or stocks), you should include all of that income when calculating your gross income and disclose the source of that income if it exceeded the threshold.

Please list in this part of the form the name, address, and principal business activity of each source of your income which exceeded 5% of the gross income received by you in your own name or by any other person for your benefit or use during the disclosure period.

"Gross income" means the same as it does for income tax purposes, even if the income is not actually taxable, such as interest on tax-free bonds. Examples include: compensation for services, income from business, gains from property dealings, interest, rents, dividends, pensions, IRA distributions, social security, distributive share of partnership gross income, and alimony, but not child support.

Examples:

- If you were employed by a company that manufactures computers and received more than 5% of your gross income (salary, commissions, etc.) from the company, you should list the name of the company, its address, and its principal business activity (computer manufacturing).
- If you were a partner in a law firm and your distributive share of partnership gross income exceeded 5% of your gross income, then you should list the name of the firm, its address, and its principal business activity (practice of law).
- If you were the sole proprietor of a retail gift business and your gross income from the business exceeded 5% of

your total gross income, then you should list the name of the business, its address, and its principal business activity (retail gift sales).

— If you received income from investments in stocks and bonds, you are required to list only each individual company from which you derived more than 5% of your gross income, rather than aggregating all of your investment income.

— If more than 5% of your gross income was gain from the sale of property (not just the selling price), then you should list as a source of income the name of the purchaser, the purchaser's address, and the purchaser's principal business activity. If the purchaser's identity is unknown, such as where securities listed on an exchange are sold through a brokerage firm, the source of income should be listed as "sale of (name of company) stock," for example.

— If more than 5% of your gross income (or, alternatively, \$2,500) was in the form of interest from one particular financial institution (aggregating interest from all CD's, accounts, etc., at that institution), list the name of the institution, its address, and its principal business activity.

PART B — SECONDARY SOURCES OF INCOME

[Required by s. 112.3145(3)(a)2 or (b)2, F.S.]

This part is intended to require the disclosure of major customers, clients, and other sources of income to businesses in which you own an interest. It is not for reporting income from second jobs. That kind of income should be reported as a "Primary Source of Income," if it meets the reporting threshold. You will **not** have anything to report **unless** during the disclosure period:

- (1) You owned (either directly or indirectly in the form of an equitable or beneficial interest) more than 5% of the total assets or capital stock of a business entity (a corporation, partnership, LLC, limited partnership, proprietorship, joint venture, trust, firm, etc., doing business in Florida); **and**
- (2) You received more than 10% of your gross income from that business entity; **and**
- (3) You received more than \$1,500 in gross income from that business entity.

If your interests and gross income exceeded these thresholds, then for that business entity you must list every source of income to the business entity which exceeded 10% of the business entity's gross income (computed on the basis of the business entity's most recently completed fiscal year), the source's address, and the source's principal business activity.

Examples:

— You are the sole proprietor of a dry cleaning business, from which you received more than 10% of your gross income—an amount that was more than \$1,500. If only one customer, a uniform rental company, provided more than 10% of your dry cleaning business, you must list the name of the uniform rental company, its address, and its principal business activity (uniform rentals).

— You are a 20% partner in a partnership that owns a shopping mall and your partnership income exceeded the thresholds listed above. You should list each tenant of the mall that provided more than 10% of the partnership's gross income, the tenant's address and principal business activity.

PART C — REAL PROPERTY

[Required by s. 112.3145(3)(a)3 or (b)3, F.S.]

In this part, list the location or description of all real property in Florida in which you owned directly or indirectly at any time during the previous tax year in excess of 5% of the property's value. You are not required to list your residences and vacation homes.

Indirect ownership includes situations where you are a beneficiary of a trust that owns the property, as well as situations where you are more than a 5% partner in a partnership or stockholder in a corporation that owns the property. The value of the property may be determined by the most recently assessed value for tax purposes, in the absence of a more current appraisal.

The location or description of the property should be sufficient to enable anyone who looks at the form to identify the property. A street address should be used, if one exists.

PART D — INTANGIBLE PERSONAL PROPERTY

[Required by s. 112.3145(3)(a)3 or (b)3, F.S.]

Describe any intangible personal property that, at any time during the disclosure period, was worth more than 10% of your total assets, and state the business entity to which the property related. Intangible personal property includes things such as cash on hand, stocks, bonds, certificates of deposit, vehicle leases, interests in businesses, beneficial interests in trusts, money owed you, Deferred Retirement Option Program (DROP) accounts, the Florida Prepaid College Plan, and bank accounts. Intangible personal property also includes investment products held in IRAs, brokerage accounts, and the Florida College Investment Plan. Note that the product *contained in* a brokerage account, IRA, or the Florida College Investment Plan is your asset—not the account or plan itself. Things like automobiles and houses you own, jewelry, and paintings are not intangible property. Intangibles relating to the same business entity may be aggregated; for example, CD's and savings accounts with the same bank.

Calculations: In order to decide whether the intangible property exceeds 10% of your total assets, you will need to total the fair market value of all of your assets (including real property, intangible property, and tangible personal property such as jewelry, furniture, etc.). When making this calculation, do not subtract any liabilities (debts) that may relate to the property. Multiply the total figure by 10% to arrive at the disclosure threshold. List only the intangibles that exceed this threshold amount. The value of a leased vehicle is the vehicle's present value minus the lease residual (a number which can be found on the lease document). Property that is only jointly owned property should be valued according to the percentage of your joint ownership. Property owned as tenants by the entirety or as joint tenants with right of survivorship should be valued at 100%. None of your calculations or the value of the property have to be disclosed on the form.

Example:

You own 50% of the stock of a small corporation that is worth \$100,000, the estimated fair market value of your home and other property (bank accounts, automobile, furniture, etc.) is \$200,000. As your total assets are worth \$250,000, you must disclose intangibles worth over \$25,000. Since the value of the stock exceeds this threshold, you should list "stock" and the name of the corporation. If your accounts with a particular bank exceed \$25,000, you should list "bank accounts" and bank's name.

PART E — LIABILITIES

[Required by s. 112.3145(3)(a)4 or (b)4, F.S.]

List the name and address of each creditor to whom you owed any amount that, at any time during the disclosure period, exceeded your net worth. You are not required to list the amount of any debt or your net worth. You do not have to disclose: credit card and retail installment accounts, taxes owed (unless reduced to a judgment), indebtedness on a life insurance policy owed to the company of issuance, or contingent liabilities. A "contingent liability" is one that will become an actual liability only when one or more future events occur or fail to occur, such as where you are liable only as a guarantor, surety, or endorser on a promissory note. If you are a "co-maker" and have signed as being jointly liable or jointly and severally liable, then this is not a contingent liability.

Calculations: In order to decide whether the debt exceeds your net worth, you will need to total all of your liabilities (including promissory notes, mortgages, credit card debts, judgments against you, etc.). The amount of the liability of a vehicle lease is the sum of any past-due payments and all unpaid prospective lease payments. Subtract the sum total of your liabilities from the value of all your assets as calculated above for Part D. This is your "net worth." You must list on the form each creditor to whom your debt exceeded this amount unless it is one of the types of indebtedness listed in the paragraph above (credit card and retail installment accounts, etc.). Joint liabilities with others for which you are "jointly and severally liable," meaning that you may be liable for either your part or the whole of the obligation, should be included in your calculations at 100% of the amount owed.

Examples:

— You owe \$15,000 to a bank for student loans, \$5,000 for credit card debts, and \$60,000 (with spouse) to a savings and loan for a home mortgage. Your home (owned by you and your spouse) is worth \$80,000 and your other property is worth \$20,000. Since your net worth is \$20,000 (\$100,000 minus \$80,000), you must report only the name and address of the savings and loan.

PART F — INTERESTS IN SPECIFIED BUSINESSES

[Required by s. 112.3145(5), F.S.]

The types of businesses covered in this disclosure include: state and federally chartered banks; state and federal savings and loan associations; cemetery companies; insurance companies; mortgage companies; credit unions; small loan companies; alcoholic beverage licensees; pari-mutuel wagering companies, utility companies, entities controlled by the Public Service Commission; and entities granted a franchise to operate by either a city or a county government.

You are required to disclose in this part of the form the fact that you owned during the disclosure period an interest in, or held any of certain positions with, particular types of businesses listed above. INSTRUCTIONS FOR CAMPAIGN TREASURER'S REPORT – ITEMIZED CONTRIBUTIONS

- (1) Candidate's full name or name of the political committee (PC), electioneering communications organizations (ECO) or party executive committee (PTY).
- (2) The identification number assigned by the filing officer.
- (3) Cover period dates (e.g., 1/1/15 through 1/31/15). (See filing officer's reporting dates calendar for appropriate year and cover periods.)
- (4) Page numbers (e.g., 1 of 3).
- (5) Date contribution was RECEIVED (Month/Day/Year).
- (6) **Sequence Number** – Each detail line shall have a sequence number assigned to it. Sequence numbers are to be assigned within each reporting period and for each type of detail line. Thus the report type, detail line type, and sequence number will combine to uniquely identify a specific contribution, expenditure, distribution or fund transfer. This method of unique identification is required for responding to requests from the filing officer and for reporting amendments.
 For example, a M1 report having 75 contributions would use sequence numbers 1 through 75. The next report (M2), comprised of 40 contributions would use sequence numbers 1 through 40. Contributions on amended M1 reports would begin with sequence number 76 and on amended M2 reports would begin with sequence number 41. See the *Amendment Type* instructions below.
- (7) Type full name and address of contributor (including city, state and zip code).
- (8) Enter the type of contributor using one of the following codes:

F	Political Committee	(federal or state)
P	Political Parties	(includes federal, state and county executive committees)
O	Other	(e.g., candidate surplus funds to party, etc.)
S	Candidate to Self	

- (9) Enter Contribution Type using one of the following codes:
NOTE: Cash includes cash and cashier's checks.

Code	Description

- (10) Type the description of any in-kind contribution received.
Candidate's Only – If in-kind contribution is from a party executive committee and is allocable toward the contribution limits, type an "A" in this box. If contribution is not allocable, type an "N".
- (11) **Amendment Type** (required on amended reports) – To add a new (previously unreported) contribution for the reporting period being amended, enter "ADD" in amendment type on a line with ALL of the required data.
The sequence number for contributions with amendment type "ADD" will start at one plus the number of contributions in the original report. For example, amending an original M1 report that had 75 contributions means the sequence number of the first contribution having amendment type "ADD" will be 76; the second "ADD" contribution would be 77, etc. When amending an original M2 report that had 40 contributions, the sixth "ADD" contribution would have sequence number 46.
To correct a previously submitted contribution use the following drop/add procedure. Enter "DEL" in amendment type on a line with the sequence number of the contribution to be corrected. In combination with the report number being amended, this sequence number will identify the contribution to be dropped from your active records. On the next line enter "ADD" in amendment type and ALL of the required data with the necessary corrections thus replacing the dropped data. Assign the sequence number as described above.
- (12) Type amount of contribution received. **Political Committees ONLY:** Multiple uniform contributions from the same person, aggregating NMT \$250 per calendar year, collected by an organization that is the affiliated sponsor of a PC, may be reported by the PC in an aggregate amount listing the number of contributors together with the amount contributed by each and the total amount contributed during the reporting period. IMPORTANT NOTICE

TO: All Candidates Qualifying with the Division of Elections

FROM: Donald L. Palmer, Director
Division of Elections *DP*

DATE: May 11, 2010

SUBJECT: Use of Nickname on Ballot

NOTICE TO CANDIDATES QUALIFYING WITH THE DIVISION OF ELECTIONS¹

The candidate oath form that must be filed during the qualifying period requires you to designate your "name as you wish it to appear on ballot." Case law and Division of Elections Opinions 86-06 and 09-05 permit a nickname to be printed on the ballot along with one's surname when the nickname is one by which the person is generally known or one that the person has used as part of his or her legal name. For example, if John Jones is generally known as Bo Jones, permissible designations on the ballot may be John "Bo" Jones, John (Bo) Jones, Bo Jones, or John Jones. The Division of Elections opinions recognize that a qualifying officer may require the candidate to make a satisfactory showing that the candidate is generally known by the nickname or the nickname has been used as part of the candidate's legal name before a nickname is printed on the ballot.

If you plan to designate a nickname on your candidate oath form other than a generally recognized shortened version of your legal name (e.g., "Rob" or "Bob" for Robert, "Bill" for William, "DJ" for David Joseph, *etc.*), you should provide notice of your intention to the Division of Elections well in advance of the qualifying period and make a satisfactory showing that you are generally known by the nickname or that you have used the nickname as part of your legal name. Failure to provide such information in advance may result in

¹ If you are a candidate who does not qualify with the Division of Elections and you desire to have your nickname printed on the ballot, you should contact your qualifying officer well in advance of the qualifying period to find out what the qualifying officer's requirements are to allow your nickname to be printed on the ballot.

the Division not having sufficient time during the qualifying period to determine if the nickname may be printed the ballot.

Attached to this Notice is an example of an Affidavit that also mentions supporting documentation that you may consider submitting to the Division of Elections in advance to show that the nickname is legitimate.

NOTE: Division of Elections Opinion 86-06 states: Descriptive information such as a title (for example, Dr. or M.D.), although not part of a person's name, is permissible only when two persons of the same name or whose names are so similar as to reasonably cause confusion, seek the same office." Therefore, ordinarily, even if a candidate is commonly referred to as "Doctor," "Professor," or "Colonel," those titles would not be allowed as a nickname or as a part of a nickname unless such descriptive information is reasonably necessary to avoid confusion among candidates.

Notice of Candidate Withdrawal or Disqualification or Removal of Ballot Issue

DE Reference Guide 0007 (Updated 07/2014)

These guidelines are for reference only. They are not to be construed as legal advice or representation. For any particular set of facts or circumstances, refer to the applicable state, federal law, and case law, and/or consult a private attorney before drawing any legal conclusions or relying upon this information.

GENERAL OVERVIEW

- We offer the following guidelines to provide notice to the voter when a candidate has withdrawn or been disqualified, or a public measure has been removed from the ballot but it is too late to change the format and content of the ballot.
- We also include guidelines for the tabulation of voters and elections results under such circumstances.

HOW TO USE THESE GUIDELINES

- Use the following notice templates as may be applicable
- Post in EACH polling place and in EACH voting booth the notice of withdrawal, disqualification, or removal (as applicable) from the ballot
- Provide notice to all absentee ballot voters for whom you have not already sent ballots (regardless of delivery method) starting the day after the candidate withdrawal or disqualification, or the day after the court ordered the ballot issue removed.

TEMPLATE #1: FOR USE WHEN A CANDIDATE WITHDRAWS OR IS DISQUALIFIED

NOTICE TO THE VOTER

A candidate in the race for the office of _____ has [withdrawn or has been disqualified, whichever is applicable] such that:

A vote cast for [insert name of candidate A] will count.

A vote cast for [insert name of candidate B] will not count.

A vote cast for [insert name of candidate C] will count.

TEMPLATE #2: FOR USE WHEN A CANDIDATE WITHDRAWS OR IS DISQUALIFIED AND THE LAW PERMITS A REPLACEMENT CANDIDATE:

NOTICE TO THE VOTER

A candidate in the race for the office of _____ has [withdrawn or has been disqualified, whichever is applicable] resulting in a replacement candidate as permitted by law. Please be advised that:

A vote cast for [insert name of candidate A] will count for [insert name of candidate A].

A vote cast for [insert name of candidate B] will count for [insert name of the replacement candidate].

A vote cast for [insert name of candidate C] will count for [insert name of candidate C].

TEMPLATE #3: FOR USE WHEN A CANDIDATE WITHDRAWS OR IS DISQUALIFIED RESULTING IN AN UNOPPOSED RACE.

NOTICE TO THE VOTER

A candidate in the race for the office of _____ has [withdrawn or has been disqualified, *whichever is applicable*] resulting in an unopposed candidate race.

A vote cast in this race will not change the outcome as the remaining candidate is deemed by law to be [insert "nominated" or "elected" as applicable] for that race.

TEMPLATE #4: FOR USE WHEN A PUBLIC MEASURE IS ORDERED REMOVED FROM THE BALLOT.

NOTICE TO THE VOTER

The public measure [insert name of public measure—For example No. 1. Constitutional Amendment, Article __, Section __, Conserving Florida's Future] has been ordered removed from the ballot.

Any vote cast for this public measure will not count for approval or rejection of the public measure.

TEMPLATE #5: FOR USE WHEN THE ONLY WRITE-IN CANDIDATE WITHDRAWS OR IS DISQUALIFIED.

NOTICE TO THE VOTER

The write-in candidate in the race for the office of _____, has [withdrawn or has been disqualified, *whichever is applicable*].

Any vote cast for the write-in candidate in this race will not count.

TEMPLATE #6: FOR USE WHEN ONE WRITE-IN CANDIDATE WITHDRAWS OR IS DISQUALIFIED BUT OTHER WRITE-IN CANDIDATES REMAIN.

NOTICE TO THE VOTER

[Insert name of withdrawn or disqualified write-in candidate], a write-in candidate in the race for the office of _____ has [withdrawn or has been disqualified, *whichever is applicable*].

Any vote cast for this [withdrawn or disqualified, whichever is applicable] write-in candidate will not count.

TABULATION OF VOTES/RESULTS

- It may be that your voting system will still record the votes that may be cast for the withdrawn or disqualified candidate or the removed public measure on the ballot.
- These votes cast should not be reported or published except to the extent that they are to count for a replacement candidate.
- These votes are otherwise invalid and are not part of the unofficial or official election results. Moreover, these votes should not be counted for purposes of determining whether a recount or a run-off is triggered.

RESULTS TAPE

- Post the results tape (as you are required) in the polling place after polls are closed.
- **Do not** redact or otherwise black out the withdrawn or disqualified name or results on the results tape (it is recorded and public). You may post an explanatory note on the fact that the candidate withdrew or was disqualified or the issue was removed from the ballot.
- **Do not** publish those results anywhere else as there is no need.
- **Do not** include or submit the withdrawn/disqualified candidate or removed ballot issue results in any unofficial or official results to the Division.

PUBLIC RECORDS

- Although the tabulated votes are not made a part of the unofficial or official election results submitted to the Department of State, if they are recorded, they are still public record.
- Therefore, if someone wants to see what was recorded, they will have to be provided upon request.
