Haverhill Residents:

Last week we delivered to each residential unit within the Town a 95-gallon household trash receptacle. These receptacles/carts are the property of the Town of Haverhill, and each cart has been assigned to a specific address by its serial number. If you sell your home, move, or even relocate within the Town, the trash receptacle is to remain at the address to which it was assigned.

It is suggested that you put the address of your home/unit number/ on the inside lid of the cart. This can be done with a permanent marker or paint.

Your cart is to be used for the disposal of household trash and we ask that it become your primary receptacle. Should you wish to dispose of your existing cart, please place it inside the blue cart. Do NOT leave it curbside and expect it to be picked up and disposed of. Unless the old can is inside the new cart, or you have contacted the Town Hall (561-689-0370) to make arrangements for the old container to be picked up, Waste Pro will NOT take it. You can continue to use the old cart for vegetation, etc. We also ask that you DO NOT place bags alongside the cart as that will be considered bulk and will only be picked up on Tuesdays.

Should you wish to purchase an additional receptacle, they are available at \$70.00 per cart. Please call the Town Hall to have one delivered.

Pick up days remain the same:

Tuesdays: Household trash, recycling, bulk and vegetation (must be separated)

Fridays: Household Trash only.

For additional information, of if you have any questions, please contact us at the Town Hall (561-689-0370) or visit the website [www.townofhaverhill-fl.gov/trashcontainer](http://www.townofhaverhill-fl.gov/trashcontainer).

We hope you enjoy your new household trash container!

Happy Holidays!
