

## **HAVERHILL COMMUNITY WORKSHOP**

Haverhill PBC Climate Toolkit  
February 2026

**COMMUNITY WORKSHOP**

**WE WANT TO HEAR FROM YOU  
FLOODING & SEA LEVEL  
RISE RISK ASSESSMENT**

Help shape your community's future! Palm Beach County is partnering with six local municipalities to host community workshops regarding the new Flood and Sea Level Rise Risk Assessments. These workshops will discuss water-related risks and long-term infrastructure planning across multiple communities.

Join us to learn more about the project, ask questions, and provide feedback!

**Town of Haverhill  
Community Workshop**  
Thursday, Feb. 12, 2026 | 6:45 PM

4585 Charlotte Street,  
Haverhill, FL 33417

Join the upcoming workshops for the latest updates on the flooding & sea level rise risk assessment, ask questions, and help shape our county's strategic preparedness goals.
