In order to authorize any variance, the applicant MUST demonstrate the following:

1. Explain the special conditions and circumstances exist which are peculiar to the land, structure or building involved and which are not applicable to other lands, structures or buildings in the same zoning district.
2. Explain how the special conditions and circumstances do not result from the actions of the applicant or owner or prior owner.
3. Explain how the granting the variance requested will not confer on the applicant any special privilege that is denied by this chapter to other lands, buildings or structures in this same zoning district.
4. Explain how the literal interpretation of the provisions of this chapter would deprive the applicant of rights commonly enjoyed by other properties in the same zoning district under the terms of this chapter and would work unnecessary and undue hardship on the applicant.
5. Explain how the variance granted is the minimum variance that will make possible the reasonable use of the land, building or structure.
6. Explain how the grant of the variance will be in harmony with the general intent and purpose of the Zoning Code, and that such a variance will not be injurious to the area involved or otherwise detrimental to the public welfare.

THE BURDEN OF PROVING THE STANDARDS AS SET FORTH ABOVE IS UPON THE APPLICANT.

1. Describe in your own words what you are requesting.
2. Include a plot plan showing the location and dimension of your proposed structure and any existing structures, dimension of the lot, easements, all setback lines, occupancy of all buildings, parking and loading spaces, sidewalk and driveways.
3. Please provide all documentation necessary to prove your case, including a survey, if applicable. Attach additional pages as needed.
4. Hardship MUST be shown in the application for a variance. You must be able to prove that the condition of the property is so unusual that the Zoning Code prevents you from using your land in a reasonable way.

OWNER'S AUTHORIZATION: Each petition must bear the signatures of all the owners of the property in the petitioned area. **A letter of authorization allowing a person other than the owner to sign such a petition must be attached to and accompany said petitions.**
